BRIDGE FINANCING

Most banks won't lend against government credits - we do. Innovotis provides competitive bridge financing on SR&ED refunds and other approved credits, giving your business liquidity today without waiting 6–12 months for the CRA.

Why Choose Our Financing?

- » Rates banks simply won't offer small businesses
- » Fast approval - funding in days, not months
- » No equity dilution - you keep full ownership
- » Structured around your refund timeline
